Advance praise for A Just Man Is Hard to Find: Ambitious really is the word that came to me as I boiled water for a cup of coffee after reading the last line of the story. The novel reminded me of War and Peace in the way it wrestles with big philosophical questions. It explores the meaning of human relationships -- with fathers, natural and surrogate; children, born and unborn, natural and adopted; and friends and lovers and strangers we pass on the street. --Jim Casey, New York City This item ships from La Vergne, TN.
