

American Guerrilla: The Forgotten Heroics of Russell W. Volckmann

Filesize: 4.12 MB

Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

Casemate Books. Hardback. Book Condition: new. BRAND NEW, American Guerrilla: The Forgotten Heroics of Russell W. Volckmann, Mike Guardia, A main selection of the Military Book Club and a selection of the History Book Club. With his parting words "I shall return," General Douglas MacArthur sealed the fate of the last American forces on Bataan. Yet one young Army Captain named Russell Volckmann refused to surrender. He disappeared into the jungles of north Luzon where he raised a Filipino army of over 22,000 men. For the next three years he led a guerrilla war against the Japanese, killing over 50,000 enemy soldiers. At the same time he established radio contact with MacArthur's HQ in Australia and directed Allied forces to key enemy positions. When General Yamashita finally surrendered, he made his initial overtures not to MacArthur, but to Volckmann. This book establishes how Volckmann's leadership was critical to the outcome of the war in the Philippines. His ability to synthesize the realities and potential of guerrilla warfare led to a campaign that rendered Yamashita's forces incapable of repelling the Allied invasion. Had it not been for Volckmann, the Americans would have gone in "blind" during their counter-invasion, reducing their efforts to a trial-and-error campaign that would undoubtedly have cost more lives, materiel, and potentially stalled the pace of the entire Pacific War. Second, this book establishes Volckmann as the progenitor of modern counterinsurgency doctrine and the true "Father" of Army Special Forces- a title that history has erroneously awarded to Colonel Aaron Bank of the ETO. In 1950, Volckmann wrote two Army field manuals: Operations Against Guerrilla Forces and Organization and Conduct of Guerrilla Warfare, though today few realize he was their author. Together, they became the Army's first handbooks outlining the precepts for both special warfare and counter-guerrilla operations. Taking his...
