Skyhorse Publishing, United States, 2015. Hardback. Book Condition: New. 2nd Revised edition. 229 x 152 mm. Language: English . Brand New Book. Through the 1990s and into the present, concerns have increased regarding children s learning, behavior and health. In this book, educators, parents, and childcare providers will find options for addressing these concerns. The strategies presented will help balance and optimize children s physical, mental, emotional, and social development. Look inside to learn more about; the many aspects of balance; how the body, mind, and heart work together; how emotions affect learning and behavior; the importance of nutrition; meeting children s basic needs; how to recognize symptoms and sources of imbalance; options for preventing and correcting imbalances. Children are the world s most precious resources. A cooperative effort on the part of adults in behalf of all children is urgently needed to set the course for our future. This book can be a guide for this important process.
