Instill a mindset for personal accountability and responsibility for organizational results. The Accountability Experience is just what's needed for so many companies that find themselves in an all-too-common situation where deadlines are missed, commitments to team members and bosses broken and important work delayed. This program will reduce stress in the workplace at all levels. -- Deborah Simi Eibner, president, Symmetry Coaching and Consulting In today's environment of nearly constant change, lack of accountability is one of the most significant barriers to organizational, career, and relationship success. The Accountability Experience explores the nature of accountability and provides the practical tools to hold ourselves and each other accountable in mutually beneficial ways. -- Michael Milbourn, Michael Milbourn Consulting In organizations today, everyone is feeling the pressure to meet ever-increasing expectations with less time and money than ever before. Yet, in organizations that embrace accountability, results, retention, and morale flourish. Why? Because accountable individuals negotiate clear agreements, build strong partnerships, feel more in control of outcomes, and, as a result, are less stressed and...
