Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 224 x 154 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Heathen Mythology Upon a subject which has occupied the thoughts, and employed the pens of our most profound thinkers, and our ablest writers, it is perhaps difficult to say much that is likely to interest the reader, without the chance of being irksome from its proving a thrice told tale: and yet the subject is in itself so interesting, and so intimately connected with all that is most fascinating to our remembrances, and so blended with all that reminds us of departed greatness, that it is scarcely possible to pass it coldly by, or to speak in the language of others, those ideas which excite our own imaginations. There was something very pleasing and very poetical, in the thought, that each river had its nymph, and every wood its god: that a visible power watched over even the domestic duties of the people, ready to punish or reward; and that, too, in a manner so strange and immediate, that it must have greatly affected their minds, in stimulating to good, or deterring from evil. They were, indeed, the days of visible poetry; the young hunter, in the pursuit of his favourite sport, might image to his mind the form and figure of Diana, accompanying him in the chase, not perhaps without a holy fear lest she should become visible to him, and the fate of Acteon should prove to be his.
