TEXT BOOK OF LABOR S POLITICAL DEMANDS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Text Book of Labor s Political Demands Information in regard to the measures which labor advocates politically in the Congressional Campaign of 1906 and its reasons for taking such steps are herewith presented briefly. This is not a political handbook in the sense in which such books are published by the various political parties but rather a text book to aid in the dissemination of information on subjects which Labor considers of vital interest not only to the workers but to all classes of citizens. The presentation of Labor s Bill of Grievances on March 21st to the President of the United States, the President pro-tempore of the Senate and Speaker Cannon, was the first step in the present attempt to redress the grievances and regain the rights of which Labor has been deprived. Readers are referred to the A. F. of L. Campaign Programme, issued July 22, 1906 (and reproduced in this text book), for information as to the present plan of campaign; also the issues of the American Federationist from April this year to the present time for further information as to the progress of the movement. Already the campaign inaugurated by the A. F. of L. has been taken up by all classes of...
