

Mathematical Essays and Recreations (Paperback)

By Herman Schubert

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. The work entitled Mathematical Essays and Recreations by Prof. Hermann Schubert, contains some important views on the functions of arithmetic, showing that it is a system of logical forms which have consistency and coherency amongst themselves. The article on Magic Squares is on the borderland of science and literature. The theme is a curious one, and Prof. Hermann has treated it exhaustively. The discussion of The Fourth Dimension and of The Squaring of the Circle will also be found most interesting. The book has been translated from the German by T. J. McCormack. - The Westminster Review, Volume 151 Professor Schubert's essays make delightful as well as instructive reading. They deal, not with the dry side of mathematics, but with the philosophical side of that science on the one hand and its romantic and mystical side on the other. No great amount of mathematical knowledge is necessary in order to thoroughly appreciate and enjoy them. They are admirably lucid and simple and answer questions in which every intelligent man is interested. - Chicago Evening Post They...
