LESSONS IN LOVE (PAPERBACK)

Simon Pulse, United States, 2015. Paperback. Book Condition: New. Reissue ed.. 210 x 140 mm. Language: English . Brand New Book. There might not be an exact science to first kisses, but Bailey s about to experiment! This standalone addition to the Flirt series, now with a new cover, is sweet, fresh, and clean. For fifteen-year-old high school sophomore Bailey Myers, science comes easy. But her feelings about the new boy in town, super hot Logan Morse, are a bit more complicated. For whatever reason, the newcomer s smile makes butterflies flutter rapidly in Bailey s stomach and causes her knees to go weak. There s no scientific explanation for such a reaction, at least none that Bailey knows of, unless No, it can t be. Bailey doesn t get crushes. Sure, she thinks Logan s good-looking in a jaw-dropping way, has eyes she could stare at forever, and speaks with a voice that sounds like cherubs blasting their cute little trumpets. But that s a normal reaction, right? And even if it wasn t, it s not like Bailey has a chance, not with all the other gorgeous, popular girls at their school who have Logan Morse on their radar. But when Logan needs a science tutor and Bailey gets the job, their growing friendship begins to turn into something more, as Bailey learns that chemistry is a powerful force.
