Atlantic Books. Paperback. Book Condition: new. BRAND NEW, Facts are Subversive, Timothy Garton Ash, For more than thirty years, Timothy Garton Ash has traveled among truth tellers and political charlatans to record, with scalpel-sharp precision, what he has found. "Facts are Subversive", which collects his writings since the millennium, addresses some of the crucial questions of our time: what happens to people who have endured long dictatorships when they try to found a democratic state? How can freedom from tyranny be won? How are free expression, equality before the law and equal rights for men and women sustained in a society of different faiths and ethnicities? This is history of the present on a scale by turns panoramic and human: urgent, exhilarating and necessary.
