PHYSICAL ACTIVITIES IN THE WHEELCHAIR AND OUT

Human Kinetics Publishers. Paperback. Book Condition: new. BRAND NEW, Physical Activities in the Wheelchair and Out, Ann Davis, E Ann Davis, As a person involved in the care and development of individuals with disabilities, you have both the opportunity and challenge to provide movement experiences that fit within the scope of each person's abilities. "Physical Activities In the Wheelchair and Out: An Illustrated Guide to Personalizing Participation" helps you create physical activity options that encourage success by honoring the capabilities of each person under your care. "Physical Activities In the Wheelchair and Out "is an illustrated book of games, skills, and activities for individuals with severe or multiple disabilities who may or may not use wheelchairs. The book can also be used with students who have normal developmental skills. By suggesting ways that many familiar skills, games, and activities might be performed, "Physical Activities In the Wheelchair and Out "offers opportunities for those with mobility challenges and disabilities to participate on their own terms. Written by E. Ann Davis, with a foreword by Lauren Lieberman, "Physical Activities In the Wheelchair and Out "emphasizes the importance of creating movement experiences that offer participants with physical limitations a sense of confidence and increased self-esteem. Rather than require individuals to follow preconceived activity patterns, " Physical Activities In the Wheelchair and Out "offers you the tools to help each participant enjoy movement while working according to his or her own abilities. This easy-to-use reference organizes activities and skills as individual and partner actions focusing on body awareness, body actions, and basic manipulative skills. You'll find simple ideas and guidelines for modifying each activity to fit the needs of each person. Following the basic guidelines, these activities allow each individual to participate to the extent he or she is able. Whether you are a...
