By R. Barri Flowers

Paperback. Book Condition: New. Paperback. 208 pages. Rachel Crane was just six when her older sister, Brooke, died in a car accident ten years ago at the age of sixteen. She picks it up, feels slightly dizzy, and finds herself transported back in time to the day her sister died. Before Rachel can prevent the tragedy from happening, she must convince Brooke and herself that she is not losing her mind or caught up in a dream. After saving Brooke from her fate, Rachel finds herself back in the future, where it appears the whole thing was merely a dream when she suffered a mild concussion. Then Rachel realizes she really did travel back in time and, as a result, changed her sisters destiny to something...
