Brand New Book ***** Print on Demand *****.Thought Vibration The Law of Attraction in the Thought World by William Walker Atkinson First published in 1908 Edited by Rev. Lux Newman the Quimby Philosophical Society 2008 The Universe is governed by Law - one great Law. Its manifestations are multiform, but viewed from the Ultimate, there is but one Law. We are familiar with some of its manifestations but are almost totally ignorant of certain others. Still, we are learning a little more every day - the veil is being gradually lifted. When we come to see that thought is a force - a manifestation of energy - having a magnet-like power of attraction, we will begin to understand the why and wherefore of many things that have heretofore seemed dark to us. There is no study that will so well repay the student for his time and trouble as the study of the workings of this mighty law of the world of thought - the Law of Attraction. William Walker Atkinson This is NOT a scanned-in copy of a pdf. This is a real text book, nicely designed.
