

Naturalism

By STEWART GOETZ, CHARLES TALIAFERO

Wm. B. Eerdmans Publishing Company May 2008, 2008. Paper Back. Book Condition: New. In the current intellectual climate, naturalism is overwhelmingly considered the philosophically correct framework for nearly all areas of philosophical inquiry. Consensus, however, has yet to be attained as to what is meant by 'naturalism' or even 'nature.' Stewart Goetz and Charles Taliaferro's aim in this compact study is the exposition of the promise and perils of contemporary naturalism, taking into account competing definitions and challenging its almost unquestioned primacy and dogmatic propagation by scientists and scholars alike. Assessing both strict naturalism-nature is all that exists, disclosing itself through the natural sciences-and broader conceptions of the term that allow for an expanded conception of the natural world but sternly resist appeals to forces beyond it (such as a transcendent God), Goetz and Taliaferro question whether the naturalistic rejection of theism is vindicated. Passed off as a sophisticated view of reality, naturalism fails to address the complexity of the world and our experience of it as rational and emotional free agents. Goetz and Taliaferro maintain that the scientific method cannot 'replace or weaken the appeal to God as the transcendent reality that conserves the existence of the cosmos'; rather,...
