Reviews

I actually began looking over this ebook. I could possibly comprehended everything using this published e publication. You wont feel monotony at at any time of your time (that's what catalogues are for regarding if you request me).
(Arnold Nienow)

MAX REGER (PAPERBACK)

Dover Publications Inc., United States, 2007. Paperback. Book Condition: New. 206 x 135 mm. Language: English . Brand New Book. I consider him a genius, remarked Arnold Schoenberg of the progressive early modernist Max Reger (1873 1916). In addition to his international renown as a teacher, conductor, and pianist, Reger wrote more than 1,000 works in virtually every musical genre. Many scholars and musicians credit him with emancipating dissonance to a level that assisted Schoenberg s development of serialism in the 1920s. Reger s influence extends to other 20th-century composers, including Bela Bartok, Alban Berg, Arthur Honegger, Paul Hindemith, and Sergei Prokofiev. Modulation the change from one key to another is a subject of critical importance to performers and composers in their study of harmony. Reger wrote this concise guide to modulation while teaching composition at Leipzig Conservatory, andthe workcontinues to provide valuable insights and instruction for musicians at all levels. This new edition featuresnewly engraved musical examples.
