Eighteen year-old Katarina Cole may have gotten more than she bargained for as she stumbles upon the portrait of a beautiful knight named Brendelon, whose malicious eyes and jokers grin leave her mystified and infatuated. Moved by the power of a stone bracelet from the past, she suddenly finds herself in the presence of this arrogant and daunting knight, who just so happens to be the cousin of King Arthur. But the curse is not complete, and suddenly they are whirl winding through a vortex that lands them back in time to a mystical land that she is unfamiliar with. Enchanted by the camaraderie of Arthur and his knights, Katarina quickly forgets this is not her home, but changing the past changes the future, and when Brendelons return seems to have a deadly consequence, they must find a way to make things right. Faced with challenges from giant trolls, deceiving fairies, magical bonds, and the wrath of King Arthurs half-sister, Morgaina, Katarina and Brendelon must find a way to put aside their differences and tormenting pasts to overcome the obstacles which lead to finding the secret that reveals the undoing of the spell and the key to send Katarina home.
