IT S ABOUT TIME (PAPERBACK)

Createspace, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.It s About Time is a play about a time travel adventure that may have already happened, or quite possibly will happen in the future. A group of African American military scientists travel back to events taking place during the slave trade and the historic events that follow, and are faced with a difficult decision that could change the lives of hundreds of millions of people. Will they make the right decision? This updated bonus edition features The Sunday Morning Church Announcements, a comedy monologue. In many churches across the country, the Sunday morning church announcements are not only listed in the bulletin. They are also read to the congregation, often with great flair, comedy and drama. Imagine yourself sitting in church one Sunday morning, eyes glued to the front, as the church clerk prances to the stage and reads the Sunday morning church announcements. Be ye prepared! Another addition, The Journey, is a short story mystery. It really was a cold, dark, snowy night when this mystery took place. A young girl and her family take a trip along high winding roads in the mountains of Virginia on Christmas Eve. Excitement turns to fear, followed by a sense of relief, and finally to mystery and wonder. They would forever wonder what happened.
